This Year the Special Olympics España once more participates in the Special Olympics World Winter Games, which take place in the beautiful Austrian region of Styria, 14th – 25th March 2017.

We take pleasure in announcing that Manolo's Food GmbH, a company which accepts constant responsibility in social integration of mentally handicapped people, commits to support us as an Official Sponsor of the Spanish delegation of Special Olympics.

The Special Olympics World Winter Games will be staged in three sites of competition, located in

- Ramsau am Dachstein
- Graz
- Schladming

We are convinced that this year's games will be an impressive event with amazing performances of ambitious athletes, competing in nine different sports, such as Snowboarding, Floorhockey, Figure Skating or Alpine Skiing. Furthermore the organising team will offer many interesting side events, particularly

- the spectacular Inauguration, staged on the 18th of March in the stadium of Schladming
- the Closing Ceremony, held on the 24th of March in the Merkur Arena stadium of Graz.

We are looking forward to witness a fantastic sports event and express our gratitude to Manolo's Food GmbH and all our supporters.

Barcelona, 12th January 2017.
